

October 2019 Firm Article

On Saturday the 12th of October Laura organised a winery tour as the Young Lawyer's representative for the Northern Suburbs Law Association. This was a combined event between the Young Lawyer representatives for the Southern, Eastern and Northern Law Associations.

In attendance for the day was a mix of young, new and more experienced lawyers who went to the Yarra Valley to enjoy a day of eating, drinking and networking. Both Rosetta and Piero attended the day in support of Laura for organising it with the other representatives and had a lovely day with friends and colleagues as well as meeting some new lawyers to the profession.

The tour began at the Rochford Winery where the group learnt about the different wines produced by the winery and heard about the various events that are held there. Following the wine tasting we headed to Dominique Portet for lunch, followed by a chocolate tasting at the Yarra Valley Chocolatery.

Overall it was a really successful first event for Laura as her first organised activity as the Northern Suburbs Young Lawyer representative and gave her a great chance to get inspired for more young lawyer events for the Northern Suburbs Law Association in the future!
